C. Attainment of COs:

Table 5: CO Attainment levels for Internal Assessment

Attainment Level	
1 (Low level of attainment)	60 % of students score more than 60% of marks in internal assessment and end semester examination
2 (Medium level of attainment)	70 % of students score more than 60% of marks in internal assessment and end semester examination
3 (High level of attainment)	80 % of students score more than 60% of marks in internal assessment and end semester examination

Table 6: CO Attainment levels for End Session Examination (ESE)

Attainment Level	
1 (Low level of attainment)	60 % of students score more than 60% of marks in internal assessment and end semester examination
2 (Medium level of attainment)	70 % of students score more than 60% of marks in internal assessment and end semester examination
3 (High level of attainment)	80 % of students score more than 60% of marks in internal assessment and end semester examination

Overall CO Attainment level:

Overall COs attainment level=50% of CO attainment level in Internal Assessment+50% of CO attainment level in End Session Examination

D. Attainment of POs:

The overall attainment level of POs is based on the values obtained by using direct and indirect methods in the ratio 80:20. PO attainment values obtained using direct method are computed as detailed in Table 7 below.

B.Ed-2 Year (Gen.) Syllabus / 2020-21/K.U.K

The PO attainment values to be filled in the above table can be obtained as follows:

For Course 801-PO1 Cell: PO1 attainment value = (Mapping factor of 801-PO1 from Table 4 x Overall CO attainment value for the course 801/3).

Same method can be used to obtain attainment values for the other POs.

B.Ed-2 Year (Gen.) Syllabus / 2020-21/K.U.K

In order to obtain the PO attainment using the indirect method, a student exit survey based on questionnaire of POs may be conducted at the end of last semester of the program, as per the following format:

Table 8: Questionnaire for indirect measurement of PO attainment
(For outgoing students)

At the end of my degree program I am able to do:

	Please tick any one		
<i>Acquire knowledge & skills about human development, contemporary Indian education, and pedagogy of various school subjects and assessment for learning.</i>	3	2	1
<i>Develop an understanding of education as an agenda for the nation and its policies, visions and efforts in evolving a national system of education.</i>	3	2	1
<i>Re-engage with the nuances of the discipline and its prevalent conceptualizations and practices.</i>	3	2	1
<i>Develop understanding about teaching, pedagogy, school management and community involvement in general education and Inclusive settings.</i>	3	2	1
<i>Inculcate a sense of responsibility towards the society and respect for human life and dignity.</i>	3	2	1
<i>Promote co-operative teaching where two or more teachers offer a course and jointly interact with the same class particularly to facilitate multi-disciplinary analysis of problems.</i>	3	2	1
Indirect PO attainment	Average of the responses from the outgoing students for each PO		
Scale: 3: Strongly Agree; 2: Agree; 1: Average			

The overall PO attainment values are obtained by adding attainment values estimated using direct and indirect methods in the proportion of 80:20 as follows:

Overall attainment value for PO1 = 0.8 × average attainment value for PO1 using direct method (from table 7) + 0.2 × average response of outgoing students for PO1.
